Expanding Public-Private Partnerships for Michigan Infrastructure

The next joint meeting of The Bond Club of Detroit and the Municipal Advisory Council of Michigan will cover the topic of Public Private Partnerships (P3's). This presentation will include two guest speakers, Ann Fillingham, Esq., of Dykema Gossett and Mary Francoeur, Managing Director of PFM Financial Advisors. The discussion will begin with a review of the November 2018 MDOT P3 \$622.2 million bond sale to finance the rebuilding of I-75 located in Oakland County. Both Ann and Mary had unique roles in the project and sale of the bonds. The discussion will explore and review applicability of scaling P3 project methods to lower levels of local government for necessary infrastructure and capital improvements.

Following the presentation, we adjourn to attend a 4:30PM networking reception to end at 6:00PM.
