MAC Operating Update

The MAC has adjusted to having one dedicated staff member in the office on most workdays. This has mitigated risk of virus transmission and at the same time assures a timely response to your inquiries that are best handled in the office vs. remotely.

Submission of competitive bidding to the MAC's dedicated email is working very well.

As noted previously, under the title Member Spotlight (above) the MAC is pleased to publish your news, updates, job openings and announcements relevant to our Michigan public finance community. Do not hesitate to contact Al Diebel by email adiebel@macmi.com with your request.

Stay well everyone.
